F. Additional insured. The applicant shall include the City as additional insured on all policies except worker's compensation as respects all work performed for the jurisdiction.

G. Insurance certificates. Each policy noted above shall be issued by an insurance company authorized to write such insurance in the State of Iowa and shall be reasonably acceptable to the City. These insurance policies shall not be canceled without at least 10 days' prior written notice to the City. A properly executed certificate of insurance showing evidence of these insurance requirements shall be delivered to City prior to commencement of activity.

6. Restoration of Public Property. Streets, sidewalks, alleys and other public property disturbed in the course of the work shall be restored to the condition of the property prior to the commencement of the work, or in a manner satisfactory to the City, at the expense of the permit holder/property owner.

7. Inspection. All work shall be subject to inspection by the City. Backfill shall not be deemed completed, and no resurfacing of any improved street or alley surface shall begin, until such backfill is inspected and approved by the City. The permit holder/property owner shall provide the City with notice at least 24 hours prior to the time when inspection of backfill is desired.

8. Completion by the City. Should any excavation in any street or alley be discontinued or left open and unfinished for a period of 24 hours after the approved completion date, or in the event the work is improperly done, the City has the right to finish or correct the excavation work and charge any expenses for such work to the permit holder/property owner. If the property owner fails to reimburse the City for the cost of said repairs, the cost shall be certified to the County Treasurer and specially assessed against the property as by law provided.

9. Responsibility for Costs. All costs and expenses incident to the excavation shall be borne by the permit holder and/or property owner. The permit holder and owner shall indemnify the City from any loss or damage that may directly or indirectly be occasioned by such excavation.

10. Notification. At least 48 hours prior to the commencement of the excavation, excluding Saturdays, Sundays and legal holidays, the person performing the excavation shall contact the Statewide Notification Center and provide the center with the information required under Section 480.4 of the Code of Iowa.

11. Permit Fee. A permit fee of ~~\$25.00~~ ^{\$ 50.00} shall be payable at the time of filing the application with the City. A separate permit shall be required for each excavation.

12. Permit Issued. Upon approval of the application, filing of bond and insurance certificate, and payment of any required fees, a permit shall be issued.

13. ~~Permit Exemption. Utility companies are exempt from the permit application requirement of this section. They shall, however, comply with all other pertinent provisions and shall post with the City a yearly bond. Utility Companies. All provisions of this section shall apply to utility companies.~~

14. Application of Standard Specifications. The Council may by resolution adopt Standard Specifications for improvements and construction in the public right-of-way, which Standard Specifications shall apply to all excavations in any street, parking, or alley and shall supplement the provisions of this section.
