

Van Meter Parks Master Plan

Welcome to Van Meter's Raccoon River Days Event! The City of Van Meter is developing a parks master plan to assist in determining future improvements to its parks, trails, and open space facilities and amenities. **Use the QR code or the weblink to the right to complete the online survey and provide your feedback!**

Please consider joining us at future pop-up events for opportunities to provide more input and to learn more about the project. **Your feedback is essential to the successful development of the plan!**

Please direct any questions or comments to:
Sam Chia - Parks & Recreation Director
